OB stars to Gaia EDR3". *2021 Joint Spring Meeting of the Texas Sections of APS, AAPT, and Zone 13 of the SPS*. 22 Oct 2021.

**CONFERENCE PROCEEDINGS** R. Chisholm. Simulations of Dwarf Galaxies– The Magellanic Clouds in a cosmological context. *Proceedings to the 2025 Wisconsin Space Grant Consortium Conference*. Sept 2025.

**TEACHING** **University of Wisconsin-Madison**  
Substitute Lecturer November 2024  
Astronomy 335 – Cosmology

**University of Wisconsin-Madison**  
Graduate Teaching Assistant August 2022 - *current*  
Physics 103, 104, 248, 307, 321

**Texas A&M University**  
Undergraduate Teaching Fellow January 2020 - May 2022  
Physics 216, 217; Engineering 216, 217

Private Tutor August 2019 - *current*  
TAMU Physics 201, 202, 206, 207;  
UW Physics 103, 104, 201, 202, 207, 208

**AWARDS** 2025 WSGC Graduate & Professional Research Fellowship (RFP25 7-0), 2024 WSGC Graduate & Professional Research Fellowship (RFP24 5-0)

Marianne E. '76 & Robert W. '77 Hamm Endowed Scholarship, Ellison Miles Scholarship, G. Rollie White Scholarship for Academic Excellence, Willard and Anne Levine Foundation Endowed Scholarship, Randall C. Shepard '71 Endowed Scholarship in Astrophysics, Philip and Doris Moses Ranch Fund Scholarship, Texas Aggie Grant, Aggie Mothers' Scholarship, Texas APS Outstanding Presentation Award, Andrew J. Cantrell '91 Endowed Aggie Ring Scholarship, Incoming Graduate Student Departmental Scholarship

**COMPUTER SKILLS** **Languages:** Python, SQL,  $\text{\LaTeX}$   
**Web Development:** HTML, JavaScript  
**Applications:** Mathematica, DS9, TOPCAT, Jupyter Notebook, PyCharm

**OUTREACH** **University of Wisconsin-Madison:** Physics Graduate Student Council, Chair of Recruit and Welcome; Gender Minorities and Women in Physics; UW Workers Strike Back; Rivendell Cooperative

**Texas A&M University:** Physics and Engineering Festival; DEEP Program, Astrophysics Subcommittee; Society of Physics Students; College of Science Peer Mentor; Phi Kappa Phi; MSC Freshmen Leadership International, Assistant Director, Internal Affairs Subcommittee; New Student Conferences, Student Assistant; Dept of Astronomy Star Parties; Astronomy on Tap, College Station

**AFFILIATIONS** University of Wisconsin-Madison Dept of Physics, University of Wisconsin-Madison Dept of Astronomy, Constrained Local Universe Simulations (CLUES) Collaboration, Sloan Digital Sky Survey– Large Volume Mapper (LVM)

[all former] Texas A&M University Dept of Physics & Astronomy, Texas A&M University College of Engineering, Texas A&M University Dept of Mathematics, Sloan

Digital Sky Survey V, Dark Energy Survey, TAMU ZFourge Survey, Texas A&M University Observatory, Phi Kappa Phi Honors Society
